

Square + Commerce Sync = QuickBooks Online + Time

Commerce Sync **saves time** by transferring
Square sales into QuickBooks Online
automatically, every day, with no extra work for merchants.

QuickBooks Online: now supported in Canada for Square

FOUNDATIONAL FEATURES:

- Simple Start, Essentials and Plus versions of QuickBooks Online
- Automated, consolidated transfer of Daily Sales Summary overnight, everyday
- GST / HST, Tips as Liability, Discounts, and Settlement / Deposit Reconciliation with Fees

What your merchants will love...

- Recovering 300 hours / year average
- No more error-prone manual entry
- Automated settlement reconciliation
- **Contact us for non-profit pricing**

...and what our merchants are saying

“With Commerce Sync, I don’t have to spend
time on the books each evening.
I get up in the morning and it’s all done.”

- **Kathy W., Blackwolff Knives**
Square merchant,
Commerce Sync customer since December 2015

Differentiating Features

- **Express Start** “zero touch” initial config
- Out-of-box **multi-location** support
- On-the-fly creation of income accounts based upon **Square Categories**
- Unlimited **historical transfer** (and re-transfer)
- Automated **Gift Card as Liability** transfer
- **GST/ HST** province-by-province support
- Phone, email, chat and knowledge base run by experts in both **Square and QuickBooks**
- Transfer **Sales by Customer**: perfect for service-based businesses, such as salons, construction and health / wellness providers; available upon request
