

# Square + Commerce Sync = QuickBooks + Time

Commerce Sync **saves time** by transferring  
Square sales into QuickBooks  
**automatically, every day, with no extra work for merchants.**

## 4 Million QuickBooks Users

Still choose QuickBooks for Windows (Desktop).

### COMMERCE SYNC SUPPORTS:

- Pro, Premier and Enterprise 2012 or later  
This includes both Accountants as well as vertical-specific versions.
- QuickBooks Online (all versions)  
for Square merchants with multiple locations or other critical needs.

## ...and what our merchants are saying

“With Commerce Sync, I don’t have to spend  
time on the books each evening.  
I get up in the morning and it’s all done.”

- Kathy W., Blackwolff Knives  
Square merchant,  
Commerce Sync customer since December 2015

## What your merchants will love...

- Recovering 300 hours, on average, per year
- No more manual entry
- No more costly bookkeeping errors
- Automated settlement reconciliation

## Commerce Sync in Brief
